

Cancellation/NO show Fee

We understand that you may have times where you may need to reschedule. Life is busy; however, we have time reserved *just* for you.

Please take into account the time set aside for you with the hygienist or the doctor.

We appreciate your understanding that we need a notice of 48 hours or more to cancel your appointment.

This allows us to help others, which could even be you as needs arise.

IF you cancel same day or No show, we reserve the right to charge you a missed appointment fee of \$50.00.

We hope to encourage you to value our time as we value yours.

Thank you,
Glenhaven Dentistry
