

## Financial Policy

We would like you to understand our financial policy so that we can avoid any misunderstandings. We feel that it is in the best interest of our patients to understand our policies regarding payment for services.

We advise our patients to understand their financial responsibilities completely before any treatment is initiated.

You may pay for your services with cash, check, or credit card (Visa, MasterCard and Care Credit.)

All questions regarding these matters are welcomed by our staff. • All treatment plans will be valid only for 30 days.

A 90-day account with no financial arrangements will be sent to the collection agency with interest accrued at 18% a year.

I acknowledge I have received from Denver B. Eslinger, D.D.S. the office financial policies and accept the terms.

## For Our Patients with Insurance

We provide billing services to your insurance carrier as a courtesy to you. It is important to understand that the ultimate responsibility for payment belongs to the patient. You will be required to pay your deductible (if applicable) and your percentage of the fees at the time of service. All treatment plans will be valid only for 30 days. Fees are subject to change A 90-day account with no financial arrangements will be sent to the collection agency with interest accrued at 18% a year.

We do encourage patient's involvement with their insurance carrier. As the patients or their employers are paying for the premiums to insurance carriers you and your employer carry more weight of claims getting paid. If a problem arises, we will ask you call Insurance company to help the claim to be processed.

Please feel free to communicate any problems you are having, as a clear understanding will help us to facilitate our goal of providing quality dental care.

I have read and understand the above financial
